PLEASE POST

We thank the Police Commissioner for allowing members of the NYPD to possess their weapons while attending the Police Memorial in Washington D.C. (May 15th 2007). Following the Deputy Commissioner of Legal Matters interpretation of HR 218, we are now equal among the rest of the Nations Law Enforcement Community. For your consideration on this issue,

WE THANK YOU!

Fraternally,

Lt. Robert Gonzalez
President, NLOA

Unidos Somos Invencibles! / United We Are Invincible!
